

Because of circumstances beyond our control, the April 22nd meeting of the Zoning Board of Appeals has been cancelled. Instead applications will be heard on Tuesday May 13th.

The reason is failure on the part of the Webster Herald newspaper to publish the Legal Notice in its April 16th edition, despite the fact that the Legal Notice was emailed to the newspaper by the town several days before the publication's deadline.

By law the Legal Notice of the Zoning Board of Appeals must be published in the *Webster Herald* Newspaper.

We are very sorry for the inconvenience, but this situation is not of our making.

Thank you for your understanding.
