

## VISION STATEMENT

*West Webster is a compact and walkable Hamlet. The Hamlet celebrates its storied history while providing a modern blend of successful small businesses, parks and green space, and a variety of homes. Walking and biking feel comfortable and safe in the Hamlet. The gateways into the Hamlet help bring identity and a sense-of-arrival into West Webster.*

## OUTCOME-BASED TENETS

- 1 WE WILL**...enhance and maintain important gateways into the Hamlet area.
- 2 WE WILL**...provide sidewalk and trail connections that are safe, comfortable, and intuitive to all users.
- 3 WE WILL**...require building and site design that contribute to a walkable and bikeable environment.
- 4 WE WILL**...encourage mixed-use development that allows more flexibility in the Hamlet area.
- 5 WE WILL**...acknowledge and promote the Hamlet's rich history.
